**Subject:** Draft agenda for the Pesticide use/usage meeting

Greetings,

As mentioned on yesterday's call, FWS has taken the lead on drafting an agenda and objective statement for the pesticide use/usage meeting (see attached). I know the upcoming week is shortened by the holiday, but if you could provide comments/edits by noon next Wednesday we'll have time to collate and re-distributed in time to discuss on Thursday's call.

Thanks,

George
